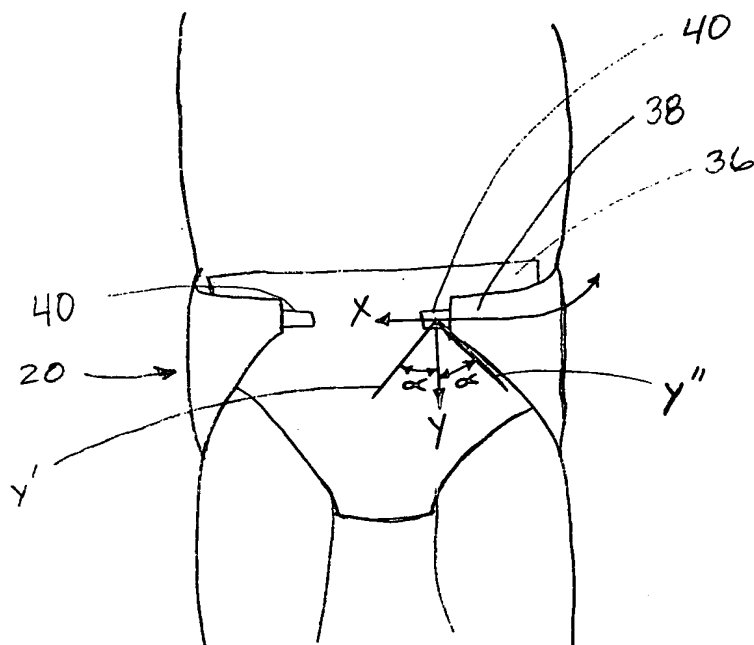

FIGURE 2

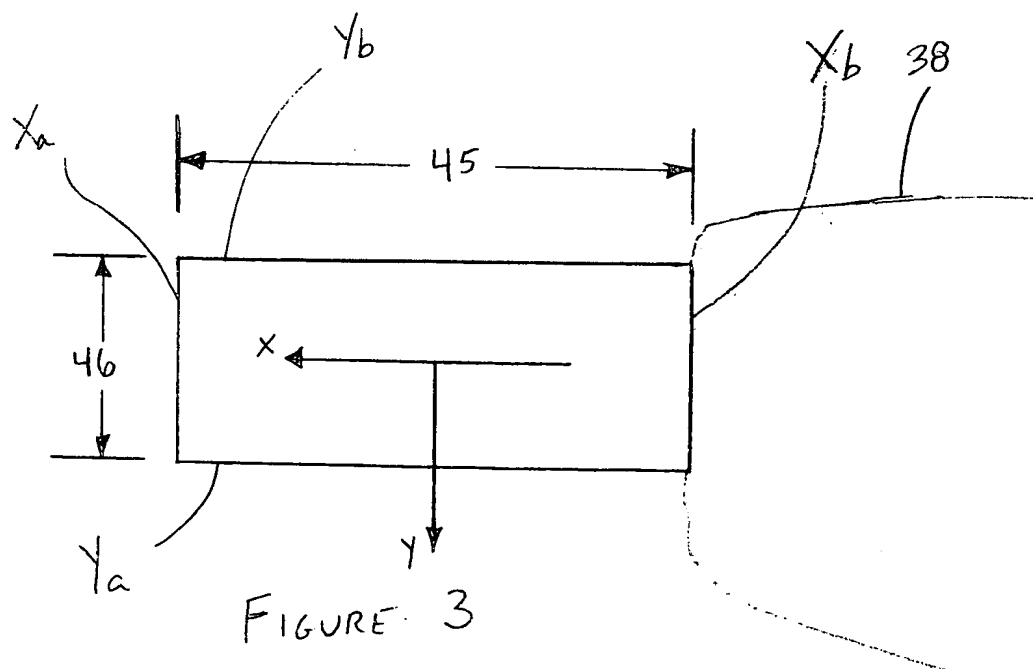

FIGURE 3

A schematic diagram of a vehicle body 120. The body has a central oval section and two side protrusions. The left protrusion 122 contains a dashed rectangle 160. The right protrusion 124 contains a solid rectangle 140. A coordinate system with x and y axes is centered on the oval. Labels 121 and 170 point to the side and rear sections respectively.
